December 2025 Newsletter Grade 1 / 2

Boozhoo Families!

December was a joyful and busy month in our Grade 1/2 classroom as students engaged in meaningful learning, creative activities, and hands-on lessons across subject areas. We are excited to share some highlights that show your children's growth, effort, and enthusiasm throughout the month.

Winter Holiday Concert

Students confidently sang and showed their musical skills under Mr. Filipe's guidance during our Winter Music Concert. This concert also served as Christmas celebration where students received their gifts and were delighted to see Santa.

Music in Class

Students had enriching group and individual lessons during the 2-week in-person learning in their Music class.

Christmas Party

This wrapped up the month with the pizza party that included sharing a meal together and watching a movie.

Academic Learning

- Literacy: Students continued to work on their word of the day, phonics instruction on CVC sounds and blending, digraphs. Instruction was differentiated instruction to meet individual needs. Students continued their practice and learning on Lexia.
- Reading: Students enjoyed reading seasonal books like Don't Let Pigeon Drive the Sleigh, A Little Kindness and more to develop their love for reading.
- Math: Students learned skip counting, patterns, and measurements. Their Math skills were also enhanced using Symphony Math.
- Social Studies: Students learned important values like Respect (Miinaadendmowin) and Love (Zaagidwin) from the 7 Sacred Teachings. Other values were incorporated in their daily learning too.
- Art: Students stepped-up their creativity though festive crafts like reindeer, snow flakes, Christmas tree, Christmas cards and more.
- Science: Students explored types of energy (light, sound, and heat) and make connections on the energy they experience around them.
- Physical Education (Gym): Students practiced running, ball passing and kicking, dribbling and other skills for their coordination and teamwork.
